Fill-The-Foyer: Dec 3-Dec 14

The GRAD CLASS of 2019 is holding a school wide charity food, toy and coin drive from Dec 3 – Dec 14 to benefit our local elementary school in need and to benefit some of our very own Mount Douglas families in need. This is our largest Good Will activity of the year and we encourage everyone to embrace the spirit of giving.

We are inviting students to bring canned /packaged food, new toys and available change to their block A classes. The collection will happen every day within the two weeks drive period.

Fill-The-Foyer is a beautiful and thoughtful way to help our local families and it is an opportunity for our students to enhance their social consciousness and awareness to be kind and help others this holiday season.

Thanks in advance for your support!
