MWPM-10---	<input type="checkbox"/> <a href="#">Workplace Mathematics 10</a>

- See your grade 9 math teacher for guidance/advice. Be honest and realistic
- Discuss your teacher's recommendation with your parents
- The general guideline is that you should have earned a C+ or higher to study in the "Foundations and Pre-Calc" pathway
- A second math pathway is Workplace 10
- Remember that for colleges, many programs have math upgrading available for you if necessary, or math upgrading is already built into the program
