# Indigenous Graduation Requirements

All students graduating must complete at least one 4-credit course in Indigenous Studies:

- English First Peoples Literacy & Writing 10
- Contemporary Indigenous Studies 12
- First Peoples English 12

# GRADUATION PROGRAM

*To graduate, students will require 80 credits total, with a minimum of 16 at the grade 12 level (including an English 12 and CLC)*

*Other required courses:*

- Two Career Education courses (8 credits): CLE and CLC
- Physical Health & Education 10 (4 credits)
- Science 10 (4 credits), and a Science 11 (4 credits)
- Social Studies 10 (4 credits), and a Social Studies 11 or 12 (4 credits)
- A Math 10 (4 credits), and a Math 11 (4 credits)
- A Language Arts 10, 11 & 12 (12 credits)
- An Arts Education 10, 11, or 12 and/or an Applied Design, Skills, and Technologies 10, 11, or 12 (4 credits)
- An Indigenous focused graduation course (either a Language Arts 10 or 12, or a Socials 12)

# GRADUATION PROGRAM

*In addition, students will also be required to complete three Provincial Graduation Assessments in literacy and in numeracy*

- Gr. 10 Numeracy Assessment
- Gr. 10 Literacy Assessment
- Gr. 12 Literacy Assessment

# Grade 12 Requirements

English 12 Must Choose 1:

# CHOICES TO CONSIDER...

- Basic grad = 80 credits with CLC 12, a Language Arts 12 plus a minimum of two grade 12 courses
- College Career Programs – may need specific requirements in Math and English (check with the institution to be sure)
- University transfer – English 12 with over 67%, no second language, Math 11 (check with the institution)
- University Entrance –
  - English 12 + three to five academic grade 12 courses (confirm with the institution); sometimes a 2nd language (at least to grade 11)
  - Note: some universities are looking for six to eight courses in the Grade 12 year that are specific to your area of intended study

# List of Academic Courses Offered at Mt. Doug

<https://mountdoug.sd61.bc.ca/student-info/post-secondary-information/>

If students wish to apply DIRECTLY to university out of high school, they need 4-6 academic courses for their application. The number of courses and the specific courses depend on the university and the faculty they are applying to. Students that are looking to go to college after high school do not need to have academic courses, they just need to meet graduation requirements and earn a minimum of 67% in English 12.

# Math Selection Process

*Math is an elective in Grade 12*

- See your grade 11 math teacher for guidance/advice; be honest and realistic
- Discuss your teacher's recommendation with your parents/guardians
- The general guideline is that you should have earned a C+ or higher in Pre-Calc 11 to carry on in the Pre-Calculus pathway
- An additional math pathway is Foundations 12
- Remember that many post-secondary institutions have math upgrading available
- Be sure to check post-secondary admission requirements

# MATH PATHWAYS at Mount Douglas Secondary

# Honours Math

- Select math honours - if you are interested in being considered for the course
- Acceptance into math honours will be determined by the math department based on the application process and teacher recommendation
- Just because you are in math honours this year, does NOT guarantee you'll be in math honours next year
- A math honours class will run only if there is enough interest
- Additional information is available on the Mt Doug website

<https://moundoug.sd61.bc.ca/programs-courses/honours-program/>

# Languages

Bonjour

Hola

Ciao

- Some universities still require a language at the Grade 11 level for some programs
- Do your research...

# CAREERS AND TRANSITIONS

- Opportunities: Work Experience 12 and Aviation
- See Ms. Dawson, Mr. Verhagen in the Career Centre
- Ustart - Take a course at UVic: [ustart info](#)
- SIP Camosun dual credit course: [SIP info](#)

Info: [Secondary Schools - Pathways & Partnerships](#)

# Advanced Placement

- English Literature 12AP (EN12 & LIT12AP will be taken over 2 consecutive quarters for 12 credits)
- Calculus 12AP (8 credits)
- Computer Science 12AP (8 credits)
- Physics 12AP (8 credits)
- Statistics 12AP (8 credits)

Info: <https://moundoug.sd61.bc.ca/programs-courses/course-guide/>

# General Guidelines

- Any unsuccessful courses from grade 11 should be discussed with a counsellor (you may have some options)
- Make sure you think and plan ahead for graduation
- Research and plan appropriately for post-secondary
- Ask your grade 11 teachers for advice
- All gr 11 students will have a 5 minute interview with their counsellor in March or April to go over selections
- Career Life Connections 12 is outside the timetable with teacher guidance
- PLEASE PICK AND STICK! (or you may be disappointed)

# AFTER GRADUATION GOALS

Goals - After Graduation, I am considering	
<input type="checkbox"/> Work	Type of work or area of study
<input type="checkbox"/> College for trades/technical	
<input type="checkbox"/> College for University transfer	
<input type="checkbox"/> University	Career Path(s)/Job I wish to pursue
<input type="checkbox"/> Travel	
<input type="checkbox"/> Volunteer	

- Ensure this box is filled out properly.
- Counsellors will check course requests by looking at after graduation goals.
- It is the students' responsibility to ensure that they have the required academic classes for the specific program they are applying for.
- Please note that for some programs you need to look past admission requirements to specific courses for the degree to find extra pre-requisites.

# Making Final Selections

- Discuss selections with your parent/guardian
- Check the WEBSITE for more information and a link to this slideshow
- PARENT/GUARDIAN SIGNATURE IS REQUIRED
- Grade 12 Course Selection forms due Feb. 20th

**Before you turn in  
your form, take  
a photo of it...**

**so that you have a record of what  
you have chosen.**
