

## Instructions for Grads to submit Yearbook Grade Write-up and Baby Photos

**Due: Friday December 13, 2024**

Hey Grads! Now it's time to submit your yearbook grad writeup. What is a grad writeup, you ask? Well, grad writeup isn't just a quote, it's a personal message that reflects on your high school experience, acknowledges those who have supported you, and looks forward to the future. It could include any of the following:

- Notable memories of high school, classes, friends, and teachers
- A special thanks to teachers, friends, and family
- A joke that will be relevant in ten years
- Include a meaningful quote that resonates with you. This could be inspirational, humorous, or reflective.
- A reflection on your future endeavours

Please check your write-up for spelling, punctuation, and grammatical errors, and do not include any URLs.

***All submissions will be moderated. Content deemed inappropriate will not be published.***

If a write up is not submitted, the spot will be filled with a random inspirational quote and end with "Congratulations to the grads of 2025".
