- See your grade 10 math teacher for guidance/advice.
- Discuss your teacher's recommendation with your parents.
- The general guideline is that you should have earned a C+ or higher in Foundations and Pre-Calculus 10 to carry on in the Pre-Calculus pathway.
- Additional Math pathways are Foundations of Math 11 and Workplace Math 11.
- Remember that many post-secondary institutions have math upgrading available.
- Be sure to check post-secondary admission requirements.
- Be honest and realistic.

Honours Math

Mathematics 11 Must Choose at least 1:

- [Foundations of Mathematics 11](#)
- [Pre-Calculus Mathematics 11](#)
- [Pre-Calculus Mathematics 11 Honours](#) - *Students will be selected based on "Teacher Recommendation" and "Application process"*
- [Workplace Mathematics 11](#)

- Select math honours - if you are interested in being considered for the course
- Acceptance into math honours will be determined by the math department based on the application process and teacher recommendation
- Just because you are in math honours this year, does NOT guarantee you'll be in math honours next year
- A math honours class will run only if there is enough interest
- Additional information is available on the Mt Doug website
