Grade 12 Requirements

CHOICES TO CONSIDER...

- Basic grad = 80 credits with CLC 12, a Language Arts 12 plus a minimum of two grade 12 courses
- College Career Programs – may need specific requirements in Math and English (check with the institution to be sure)
- University transfer – English 12 with over 67%, no second language, Math 11 (check with the institution)
- University Entrance –
 - English 12 + three to five academic grade 12 courses (confirm with the institution); sometimes a 2nd language (at least to grade 11)
 - Note: some universities are looking for six to eight courses in the Grade 12 year that are specific to your area of intended study

List of Academic Courses Offered at Mt. Doug

<https://moundoug.sd61.bc.ca/student-info/post-secondary-information/>

If students wish to apply DIRECTLY to university out of high school, they need 4-6 academic courses for their application. The number of courses and the specific courses depend on the university and the faculty they are applying to. Students that are looking to go to college after high school do not need to have academic courses, they just need to meet graduation requirements and earn a minimum of 67% in English 12.

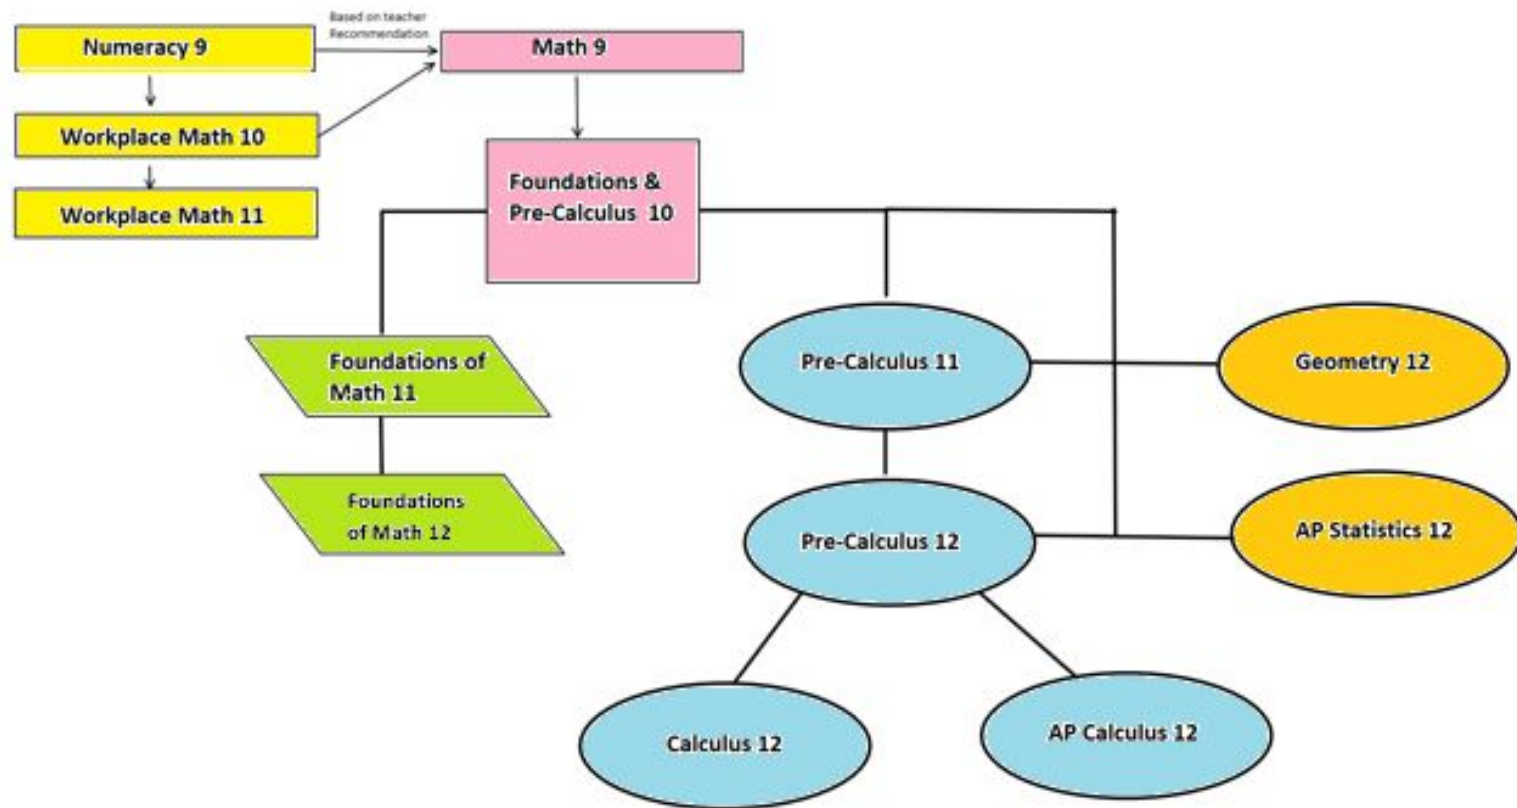

Math Selection Process

Math is an elective in Grade 12

- See your grade 11 math teacher for guidance/advice; be honest and realistic
- Discuss your teacher's recommendation with your parents/guardians
- The general guideline is that you should have earned a C+ or higher in Pre-Calc 11 to carry on in the Pre-Calculus pathway
- An additional math pathway is Foundations 12
- Remember that many post-secondary institutions have math upgrading available
- Be sure to check post-secondary admission requirements

MATH PATHWAYS at Mount Douglas Secondary

Honours Math

- Select math honours - if you are interested in being considered for the course
- Acceptance into math honours will be determined by the math department based on the application process and teacher recommendation
- Just because you are in math honours this year, does NOT guarantee you'll be in math honours next year
- A math honours class will run only if there is enough interest
- Additional information is available on the Mt Doug website
