MATH PATHWAYS at Mount Douglas Secondary

Electives

- Choose 3 and rank in order of preference (1, 2, 3).
- Choose 2 alternates and rank (A1, A2)
- Optional Outside the Timetable Electives - check if interested
- Mt Doug does its best to accommodate all course requests. However, subject to class size, so it is not uncommon to be programmed in two electives and one alternate choice

Rams Football and Cross Training

All Football team members for the 2026-2027 season will be in a year-long PE/Cross Training course. This will take the place of one elective, so football players should choose 2 (instead of 3) electives.

Choices to Consider

- Honours? (Math)
- Electives - students are encouraged to try a variety of electives. You may consider a new skill/hobby that could be beneficial for your own personal enjoyment, or your future academic interests.
- Courses outside of the regular timetable:
Choir, Strings, Jazz Band, Choreography, Dance Company
